

## **Tuffet Supply List**

To prepare for this workshop, please collect the items listed below and follow the pre-work instructions ahead of class.

Please note that all supplies listed are available to you in store for a 15% discount. All other materials needed (hardware we've gotten from Home Depot for you & a few notions) will be available in store on the day of class.

**All supplies are available at a 15% discount at Cate's Sew Modern.**

### **Supplies to Bring to Class:**

- 15 Degree Angle Ruler
- Fabric for tuffet - 1/8 yd of 24 fabrics
- Thread to match. If you are using fabrics of many colors, a medium-value gray or a thread to match the most prominent color will work.
- Rotary cutting mat, rotary cutter, and 6 X 24 ruler. We recommend that you bring these supplies with you, but we do have some mats and rotary cutters in our classroom for use during the class if needed.
- Sewing machine (if you're not renting a machine)
- Basic sewing supplies - scissors, seam ripper, etc.
- 1/4" seam presser foot
- Black fabric or a coordinating fabric to cover the bottom (optional)
- Fabric to cover button - 4" square

**Pre-work:** Cut a 3" strips from each of your 24 fabrics. Do not cut your strips at a 15-degree angle yet as this will be gone in class.

## General Class Policies:

Classes at Cate's Sew Modern have a maximum enrollment of 6 students. To reserve your spot, sign up online, call the shop during business hours at 203-421-6853, or stop by to pay. We cannot hold spots without payment. All materials needed for any class or workshop are available at a 15% discount to students. We also offer pre-discounted kits for certain classes.

Sewing machine rentals are \$5/class session and must be reserved and also paid for in advance. If you wish to rent a machine from us without taking a class, you must first take a private "Meet Your Maker" class to demonstrate proper usage.

We reserve the right to cancel or reschedule workshops and classes for any reason. Full refunds will be offered for the class fee and any machine rentals should this happen.

**If you need to withdraw, please call the store at least 1 week prior to the beginning of class.** Class withdrawals occurring less than 1 week prior to class cannot be refunded. Students who miss 1 or more sessions of a class that with 4 or more sessions total are eligible to receive 1 make up lesson per course. We reserve the right to schedule makeups around our normal schedule and combine makeup lessons when possible.

If you are a beginner or have not sewn in a long time, you are required to take a \$25 discounted version of the private Meet Your Maker class before taking a class to ensure you and your machine are happy together; i.e., you remember how to use it, it still works and cooperates with you, and you are comfortable with it.

Waiver requirement: We take the utmost precautions to protect everyone working in our studio and care deeply that every moment here is a safe and fun one. As much as anything, we have found that a waiver is a good wake-up exercise to the realities of working as humans with sharp and hot objects. Therefore, you will be required to sign one for yourself and/or your child/children before you begin taking classes with us.
